

I ask for your vote

Alfred J. Arndt
Kirchgasse 2 a
Mörfelden

Dear voters in Mörfelden-Walldorf:

On the 15th of March a new City Council will be elected in Mörfelden-Walldorf.

Many of you are citizens of a country belonging to the European Union or are naturalised citizens of Germany and are therefore entitled to vote in this election.

Please be sure to exercise your right to vote in the election, or register to vote by mail.

The voting system in Hessen — with “bundling” (placing more than one of your votes for the same candidate) and “splitting” (voting for candidates from different candidate lists) is rather complicated. If you have questions please feel free to contact us for help in order to ensure that you can exercise your right to vote and cast a valid ballot.

Do you feel that

- the local government often exercises politics over the heads of the citizens?
- more affordable housing should be made available?
- unpaid apprentices and jobs based on employment contracts of limited duration are unworthy?
- all-day schools and child care should be available to everyone without charge?
- every person has a right to live in a world of peace? In a world where no one is forced to flee from war, hunger or political persecution?
- the costs of preparing for war will ultimately be imposed on the working population, and deducted from municipal financing?

Then you have good reasons to vote for the DKP / Linke Liste.

In the DKP/Linke Liste communists, socialists, and independent leftists work together. We support people who want to take their interests into their own hands – in particular in the City Council.

We take your problems seriously. We fight for equality, social justice and humane living and working conditions. Independent of race, creed or religion. For a Mörfelden-Walldorf worth living in.

If you want to do more than just vote, if you want to get involved instead of just being annoyed by things that happen or things that don't happen but should, contact us.

We will be happy to receive your comments and criticism.

yours sincerely

Alfred J. Arndt
